Import Response from Excel

Done

This page allows you to export and import event content and submit bids. It is not intended to add attachments. To add attachments, return to the previous page and click the link to browse for an attachment.

Step 1. Click "Download Content" to download and review your event in an Excel Spreadsheet.

1 Skip this step if you wish to import a previously downloaded file. If you want to start over, click "Download Original Excel Bid Sheets".

Download Content

Download Attachments

Step 2. Declare your intention to respond and enter your response in the Excel

Step 3. Locate the saved Excel file on your computer using the Browse button.

2 Choose File No file chosen

Step 4. Click **Upload** to import the contents of the Excel file to your event.

Note: Values in the Excel file will overwrite and delete any values you may have entered in your saved response.

3 Upload

- 1) Click on **Download Content** Button to download the content in an Excel File.
Save the file to your Desktop
Update the response Details in the Excel File and save the file to your Desktop
- 2) Click on **Choose File** and select the File you saved
- 3) Click on **Upload** button to upload the Responses
